I feel so free
Knowing that I can love you
Whether or not you love me
Doesn't affect the quality
Of the love I have for you
Simply because the heart decides
All the feelings that come through
And that is why that I can say that

Love is like the free bird
Flying in the sky far too high
to be caged
It's the age of letting go
Then you'll know why

I feel so free
Knowing that I can love you
Whether or not you love me
Doesn't affect the quality
Of the love I have for you
Simply because the heart decides
All the feelings that come through
And that is why that I can say that

Love is here for the giving
love is here for the giving

Oh, now love is like the free bird
Flying in the sky far too high
to be caged
It's the age of letting go
Then you'll know why

I feel so free
Knowing that I can love you
Whether or not you love me
Doesn't affect the quality
Of the love I have for you
Simply because the heart decides
All the feelings that come through
And that is why that I can say that

Love is here for the giving
Love is here for the giving
