Seeing you for the first time
Was such a sweet dream
I thought would never come true
But then you know
How things all seem to happen
When they're due
And kissing you for the first time
Was such a warm change
It's like I never felt so new
But then you
Know how things all seem to happen
When they're due

Life, it wouldn't be anything
Without the gift of love you bring
To me, oh
And I just couldn't be satisfied
Until the day that you and I
We're so, so in love
We were so in love

Love on the inside
And feeling you touching me
Was like a fantasy come true
But then you know
How things all seem to happen
When they're due

Life, it wouldn't be anything
Without the gift of love you
Bring to me, oh
And I just couldn't be satisfied
Until the day that you and I
We're so, so in love
We were so in love

Love on the inside
And feeling you touching me
Was like a fantasy come true
But then you know
How things all seem to happen

When they're due
