Well now, if you want my lovin'
Well just come on and get it
I'm waitin' on you
Must we be so cool?
'Cause even though we've known
Each other for a moment
The feeling is like I've known you
all my life
So when you feel the time is right
Well I'll be ready
Waitin' on you
This I feel for you

Soft and tender spaces
Warm enchanted places
Deep within the fantasy of love
Oh feel the seawinds blowing
Together we are flowing
Sailing on an ocean filled with love

Oh love is all I've got to give you
When you're ready
Waitin' on you
Oh now do you feel it too?
The energy that flows between us
comes so easy
The feeling is like ecstasy in flight
So when you feel the time is right
Well I'll be ready
Waitin' on you.

Oh love is all I've got to give you
When you're ready
Waitin' on you
Oh now do you feel it too?
The energy that flows between us
comes so easy
The feeling is like ecstasy in flight
So when you feel the time is right
Well I'll be ready
Waitin' on you.
