Flowers

You don't have to bring me flowers
Oh but that would be nice
And hours mm
We don't have to talk for hours
But sharing how you really feel
That would be alright
You know it doesn't take that much
To say I love you, all I need is a touch of

Chorus:

Honesty
A shoulder from me
Sayin' baby how was your day
And as the years add up
Your love won't fade away
Mhm
To know you're there for me
Unconditionally
Is all this woman needs

Askin'

Believe me baby I'm not askin'
For more than you can give
Passion
Doesn't have to be all passion
Cause if the fire dies down
What happens then?
When it's heart and soul it never ends
As much as a lover I need my best friend
And

Chorus

Because you say you need the same things too

Honesty

A shoulder from me
Sayin' baby how was your day
And as the years add up
Your love won't fade away
Hey

Iâ€™m always there for you
Just know this much is true
Baby come what may
I will always say
Lay down next to me
Lets make love and then youâ€™ll see
Thatâ€™s all this woman needs
Hey-ey
