All I wanted was a sweet distraction for an hour or two  
Had no intention to do the things we've done  
Funny how it always goes with love, when you don't  
look, you find  
But then we're two of a kind, we move as one

We're in all time high  
We'll change all that's gone before  
Doing so much more than falling in love  
On an all time high  
We'll take on the world and wait  
So hold on tight, let the flight begin

I don't want to waste a waking moment; I don't want to  
sleep  
I'm in so strong and so deep, and so are you  
In my time I've said these words before, but now I  
realize  
My heart was telling me lies, for your they're true

We're an all time high  
We'll change all that's gone before  
Doing so much more than falling in love  
On an all time high  
We'll take on the world and wait  
So hold on tight, let the flight begin

So hold on tight, let the flight begin  
We're an all time high
