You hold on to hope
She'll change her mind
Come runnin' back
Straight back to you

You hold on to the past
Won't set it free
You keep makin' wishes
That just won't come true

Well baby, let go of what used to be
Hold on to me
And let go of what makes you lonely
Hold on to me

And give up the heartache
The nights you lie awake
It's easy, just set it free
And hold on to me

'Cause you need a rock
And that's what I'll be
You'll always know
Where my heart stands

Don't be afraid
I'll catch your fall
You gotta trust me
Just take my hand

And baby, let go of what used to be, yeah
Hold on to me
And let go of what makes you lonely
Hold on to me

And give up the heartache
The nights you lie awake
It's easy, just set it free
Hold on to me

I won't let you go
Oh, hold on to me

Oh baby, baby, oh, oh, oh

Hold on to me
Give up the heartache
The nights you lie awake
It's easy, just set it free
Hold on to me

Hold, hold on to me, yeah
Hold on to me, oh
Hold on to me, oh yeah
Hold on to me, oh
