I can't remember when I've felt this high  
Must be something special about the way you're loving  
me tonight  
You know that I can't remember when I've felt this right  
Loving you the way I do  
Has made me feel like a shooting star  
Shining bright and shining far  
And I wonder how I ever got alone

Without you  
There's something very special about you  
You're all I ever think about it's true  
Baby it's you  
I'm talkin about you

I was sitting back and watching my life go by  
Until you came along and picked me up  
Oh and now I'm starting out a brand new life  
And ev'rything I say and do is all because of you boy  
You've given me a new joy  
and I wonder how I ever got alone

Without you  
There's something very special about you  
You're all I ever think about it's true  
Baby it's you  
I'm talkin about you

Now I'll never have to sit around and cry no more  
Baby ever since you walked in through my door  
And now I know as long as I have you  
I'll always know that ev'rything that's good and new  
Is all because of you boy  
You've given me a new joy  
And I wonder how I ever got alone

Without you  
There's something very special about you  
You're all I ever think about it's true  
Baby it's you  
I'm talkin about you
