I really messed up, couldn't see
You hypnotised me, oh oh oh
So damn hot on the floor
You're hard to ignore, oh oh oh

I have a boyfriend and he makes me love
I never felt like this before
If it's illegal to want you so bad
I guess I am breaking the law

Call the police, you're disturbing my peace
You should be locked up, locked up, locked up
I'm turning you in for turning me on
I'm really shocked up, shocked up, shocked up

Call the policeâ€¦
You should be locked up, locked up
I'm in too deepâ€¦
I'm really shocked up, shocked up, shocked up

I'm like a crime scene
Your fingerprints are all over me, oh oh oh
I need sirens, to your sign
I'm way out of line, oh oh oh

(Knew you were trouble)
Knew your were trouble, yeah right from the start
I never felt like this before
If it's illegal to want you so hard
I guess I am breaking the law

Call the police, you're disturbing my peace
You should be locked up, locked up, locked up
I'm turning you in for turning me on
I'm really shocked up, shocked up, shocked up

Call the policeâ€¦
You should be locked up, locked up
I'm in too deepâ€¦
I'm really shocked up, shocked up, shocked up

Stop, hands up, spread your legs and freeze
I just need a second to breathe
I am getting in too deep

Call the policeâ€¦
I just need to call the police, you're disturbing my peace
You should be locked up, locked up, locked up
I'm turning you in for turning me on
I'm really shocked up, shocked up, shocked up

Call the policeâ€¦
Yeah, yeah, yeah
I'm in too deepâ€¦
Oh oh oh, call the police
