Do you wanna lie with me tonight? Do you wanna stay here?  
Something that you have to justify, will you? Come morning?

Do you think you'll ever feel at home?

Here with me, alone

You are the air I breathe, I swear  
Although you don't belong here

You are the air I breathe, I swear  
Although you don't belong here

You are the air I breathe, I swear  
I know you don't belong here

I should be willing to tear away but I'm not able  
If I had the strength, I'd go myself and set you from me

I am not the angel of your dreams

I am the villain tonight

You are the air I breathe, I swear  
Although you don't belong here

You are the air I breathe, I swear  
I know you don't belong here

I fight, I strive, I struggle against the flow

I swear, I try, I lose an oath

And I don't know why I ever bother anyway

You are the air I breathe, I swear  
I know you don't belong here

Oh you don't belong here

You are the air I breathe, I swear  
Although you don't belong here

You are the air I breathe, I swear  
I know you don't belong here

You don't belong here
