Never know how much I love you
You'll never know how much I care
When you put your arms around me
I get a feeling that's so hard to bear

(CHORUS)

You give me fever
When you kiss me
Fever, when you hold me tight
Fever in the morning
Fever all through the night

Listen to me, baby
And hear every word I say
You know that no one
Can love you the way that I do
Because they don't know how
To love you my way

(CHORUS)

Bless my soul, I love you
Take this hurt away
Take these arms that
I'll never, never use
Believe in what my
Lips have to say

(CHORUS)

Sun lights up the day time
The moon lights up the night
You know I light up
When you call my name
Because I know you're
Gonna treat me right

(CHORUS)
