One fine day
Love came for me
When love was rare
As love can be
I saw stars
Shining in clear blue skies
We flow together
Once and forever
Love came for me

One fine night
Love let us see
How far we'll go
How good we'll be
We saw a world
No one ever saw before
It was the world
Love can start
With the beat of a heart
Love came for me

I saw stars
Shining in clear blue skies
We flow together
Once and forever
Love came for me

One fine night
Love let us see
How far we'll go
How good we'll be
We saw a world
No one ever saw before
It was the world
Love can start
With the beat of a heart
Love came for me
Love came for me
Love came for me

Love came for me
