Outside the rain begins and it may never end  
So cry no more on the shore a dream  
Will take us out to sea  
Forever more forever more  
Close your eyes and dream  
And and you can be with me  
'Neath the waves through the caves of hours  
Long forgotten now  
We're all alone we're all alone

Close the window calm the light  
And it will be alright  
No need to bother now  
Let it out let it all begin  
Learn how to pretend

Once a story's told  
It can't help but grow old  
Roses do lovers too  
So cast your seasons to the wind  
And hold me dear oh hold me dear

Close the window calm the light  
And it will be alright  
No need to bother now  
Let it out let it all begin  
All's forgotten now  
We're all alone oh oh we're all alone  
Close the window calm the light  
And it will be alright  
No need to bother now  
Let it out let it all begin  
All's forgotten now  
We're all alone we're all alone  
Let it out let it all begin  
Owe it to the wind my love
