I can't remember when I've felt this high  
Must be something special about  
The way you're loving me tonight

You know that I can't remember when I've felt this right  
Loving you the way I do  
Has made me feel like a shooting star  
Shining bright and shining far  
And I wonder how I ever got alone

Without you  
There's something very special about you  
You're all I ever think about, it's true  
Baby, it's you  
I'm talkin' about you

I was sitting back and watching my life go by  
Until you came along and picked me up

Oh, and now I'm starting out a brand new life  
And everything I say and do is all because of you, boy  
You've given me a new joy  
I wonder how I ever got alone

Without you  
There's something very special about you  
You're all I ever think about, it's true  
Baby, it's you  
I'm talkin' about you

Oh, but now I'll never have to sit around and cry no  
more  
Baby, ever since you walked in through my door

And now I know as long as I have you, I'll always know  
That everything that's good and new is all because of  
you, boy  
You've given me a new joy  
And I wonder how I ever got alone

Without you  
There's something very special about you

You're all I ever think about, it's true  
Baby, it's you  
I'm talkin' about you

About you  
There's something very special about you  
You're all I ever think about, it's true  
Baby, it's you  
I'm talkin' about you

About you  
There's something very special about you  
You're all I ever think about, it's true  
Baby, it's you
