I'm stuck behind the walls  
I wanna break and go on  
I wanna do it, I wanna do it  
Everything's the same  
And it will never ever change  
if I don't do it, if I don't do it

Everyone I meet  
I've met them everyday before  
I wanna change it, I really want to  
Every street I walk  
I've walked them million times before  
Don't wanna do it, don't wanna do it

I'm afraid to be stuck here forever  
Cause dreams are built from the memory I never had

Time is running by  
And I must do something about it  
Make me do it, please make me do it  
Never is enough  
I hate to love, I love to hate  
and now I hate you, and now I hate you

Everyone I meet  
I've met them everyday before  
I wanna change it, I really want to  
Every street I walk  
I've walked them million times before  
Don't wanna do it, don't wanna do it

I'm afraid to be stuck here forever  
Cause dreams are built from the memory I never had

I'm afraid to be stuck here forever  
Cause dreams are built from the memory I never had
