If I'da known what would happen
I would of stayed in bed
But you know how it is when
You get something in your head
If anyone calls say I'm dead
I should of cried instead of
Smiling all day long
But you know how it is when
You're young you're so headstrong
And you jumped right in headlong
You don't care

Half baked
I wasn't ready but I couldn't wait
Half baked
I wasn't ready but I couldn't wait
I know now I was half baked

I don't belong to no one
Though you're the one I said I loved

I want to look at everyone
But heaven's above
You're the one I said I loved...
I loved

Listen
Half baked
I wasn't ready but I couldn't wait
Half baked
I wasn't ready but I couldn't wait
I know now I was half baked

Half baked
I wasn't ready but I couldn't wait
Half baked
I wasn't ready but I couldn't wait
I know now I was half baked

Listen
Half baked

I was not ready but I couldn't wait
Half baked
I wasn't ready but I couldn't wait
I know now...
