Well, now my baby's gone

She left me all alone

Well, now my baby, tears fall

I don't have no one home

Ev'ry night so dark and lonely

My heart is heavy, like a stone

Cry, cry, all night

Ooh-ooh-yeah

Well, now little darlin'

Come back home

Yeah-yeah, one time

Come on, little darlin'

Oh, one more time

Come on and say a-you'll be mine

Now that you gone and left me

I'll always have you on my mind

Cry, cry, all night

Ooh-ooh-yeah

Well, now little darlin'

Come back home

(guitar & instrumental)

Well, now little baby

I'm 'onna leave my home cell

I'm gonna try and lose you

From outta my head
And then if I can't lose you
I'm 'onna die in my bed

Cry, cry, all night
Ooh-ooh-yeah
Well, now little darlin'
Come back home.

(short instrumental & guitar to end)
