Hall - Danelectro 6 string bass.

Hurry up, or I'll get another date

A-hurry up, well it's getting awful late

Well, I told you, when I walked you home

And I told you, on the telephone

That I'd be here at a quarter to nine

Oh little girl, meet you here on time

Nothing bugs me baby, like a-having to wait

But it always seems to happen

Ev'rytime we have a date

Hurry up, well come on let's go

Hurry up, we'll be late for the show

Hurry up, oh yeah, hurry up!

(echo)

Hurry up, or I'll get another date

Hurry up, well it's getting awful late

Well, I told you, when I walked you home

And I told you, on the telephone

We got to the movie, baby, wouldn't you know?

The only seats I saw were in the very last row

I just sit down 'n try to watch the show

When you looked at your watch

And said, 'Come on let's go', oh

(echo)

Hurry up, be home all alone

Hurry up, don't you be so slow

Hurry up, we gotta get home

A-hurry up!

(echo)

(guitars & instrumental & clapping)

Hurry up!

Hurry up!

Hurry up!

FADES-

Hurry up!

~
