Hy-Tone, Hy-Tone

All the fellas call my baby, Hy-Tone

Hy-Tone

They all think she's always acting, Hy-Tone

Hy-Tone

Sweet sixteen, doesn't wear jeans

Walks around the campus

Like a high school queen

That's why all the fellas think she's, Ty-Tone

But when I'm the only one around

She lets her hair down

She's just-a boppin', baby

An a crazy little clown

She may be shy

With the other guy

But when she's with me

Oh, my!

Let the other fellas call her Hy-Tone

Hy-Tone

They all think she's always acting Hy-Tone

Hy-tone

'Cause when we're alone

She's all of my own

And that's why I love, Hy-Tone

But when I'm the only one around

She lets her hair down

She's just-a boppin', baby

An a crazy little clown

She may be shy  
With the other guy  
But when she's with me  
Oh, my!

Let the other fellas call her Hy-Tone  
Hy-Tone  
They all think she's always acting Hy-Tone  
Hy-Tone  
'Cause when we're alone  
She's all of my own  
And that's why I love, Hy-Tone

'Cause when we're alone  
She's all of my own  
And that's why I love, Hy-Tone.
