Well, I got a gal named Sue

She knows just what to do

She's just a-rockin'

She knows what to do

She knows how to love me

And rock it, too

That's my little Suzie

She knows what to do

She rocks to the left

And she rocks to the right

She rocks all day

And she rocks all night

When my baby gets tired a-me

I'm gonna drown myself in a sea

Well, come on let's go little Suzie

Tell me you'll be true

If I should lose you

Oh, what could I do?

(Ritchie - guitar solo & instrumental)

She rocks to the left

And she rocks to the right

She rocks all day

And she rocks all night

When my baby gets tired a-me
I'm gonna drown myself in a sea

Well, come on let's go little Suzie
Tell me you'll be true
If I should lose you
Oh, what could I do?

(instrumental fade to end)
