Paradise

Ayiti cheri

M ap enjoy

M ap trip nan peyi a

Ann ale

[Chorus]

Gadon ti peyi mezanmi Ayiti

Gad kijan m ap enjoy

Enjoy

Lakay se lakay

Bon manje, b'li plezi

Yon paradi m ap enjoy

Enjoy

Se konsa mwen w'li

Gad jan peyi mwen b'li

Mezanmi kite l viv non

Li l' pou l avanse

Mwen renmen Ayiti

M pap janm viv l' kote

Se ti peyi m, ti cheri m

Se li ke m adore

Nou soti lwen

Yon jou na rive lwen

Peyi sa pa ka gaspiye

E l' male, mwen toujou retounen

Paka kite l d'lye

F' nou voye li monte

F' nou demele k' nou

Yon jan pou n sa ranje l

Pou n f' l rive pi wo

When I go away, I always come back
Can't leave it behind
We got it
We got to get things moving
So that one day we can fix it
So it can get further

Ayiti son gwo ti peyi vre
Se pa manti non
Se paw²l serye
Mwen santi m kool I²mwen di se Ayisyen mwen ye
Malgre pwobl²m, ke m konnen l genyen

Ayiti is a fine little country
And that's no lie
That's real talk
I feel cool when I say I'm Haitian
Despite all the problems it has

Mwen pa p janm kite b²l peyi sa gaspiye
Pou jan l gen trip ladan l
Imajine kisa l ta ye si nou ta mete I²d
Nou mete l a la m²d

I'm never going to let this country go to waste
It's too much fun
Imagine what it could become if we were to put things in order
Make it the place to be

[Chorus]

Gadon ti peyi mezanmi Ayiti
Gad kijan m ap enjoy
Enjoy
Lakay se lakay
Bon manje, b²l plezi
Yon paradi m ap enjoy
Enjoy
Se konsa mwen w²l
Gad jan peyi mwen b²l
Mezanmi kite l viv non
Li I²pou l avanse

[Chorus]

Man, this Haiti is some country

Look at how I'm enjoying myself

Enjoy

Home sweet home

Some good food, loads of fun

I'm really enjoying this paradise

Enjoy

That's the way I see it

Look how good the country's looking

You people need to leave it alone

It's time for it to make some progress

M bwã" dlo kokoye

M manje lanbi

M souse rapadou

Banm yon ti dous makos

Ak yon ti Barbancourt

M gen annpil lanmou pou wou

Pase mwen konn sa ou vo

Devan lemond antye

Fã²w drapo w vole pi wo

Nou gen bã"l mã²n, bã"l lanmã"

Bã"l sous, bã"l rivyã"

Bon son, ak frechã"

I drink me some coconut water

I eat myself some conch

I suck on molasses bars

Give me a little homemade candy

And a little Barbancourt

Got so much love for you

'Cause I know what you're really worth

When compared to everywhere else in the world

Your flag's will fly higher

We've got some majestic mountains, some pretty beaches

Some great waterfalls, some nice rivers

Nice sound, some great breeze

[Chorus]

Gadon ti peyi mezanmi Ayiti

Gad kijan m ap enjoy

Enjoy!

Lakay se lakay

Bon manje, bã"l plezi

Yon paradi m ap enjoy

Enjoy!
Se konsa mwen wã'l
Gad jan peyi mwen bã'l
Mezanmi kite l viv non
Li lã" pou l avanse

Man, this Haiti is some country
Look at how I'm enjoying myself

Enjoy

Home sweet home

Some good food, loads of fun
I'm really enjoying this paradise

Enjoy

That's the way I see it
Look how good the country's looking
You people need to leave it alone
It's time for it to make some progress

M ap enjoy, m ap enjoy
M ap enjoy PÃ²toprens, e sitou nan provens
Everyday

I'm enjoying, I'm enjoying
I enjoy Port-au-Prince and especially in the other little cities too
Everyday
