"Heartless Hero"

I just can't stand, the way you talk about the life that we
once had or the times we used to spend.
I hate how you pretend, that we were never meant to be
but you were my one and only friend.
Away, You're taking everything away.
There's time to live, and time to die, so let's make the
best of tonight.
Tonight, the stars will shine so bright.
I'm going blind. Your beauty has robbed my eyes,
everything is dark tonight.
When I look up at the sky, the stars are drawing out the
pictures of the comic book called my life.
The heartless hero saves the day.
