I'll rethink this over,
And I doubt you'll care.
Read another chapter,
In your jealous stare.
I can't believe it's over baby, by the look that's in your
eyes. You took me by the hand and said to me,
It feels like home away from here, this postcard is
messed to you, so hold on to all of your tears.
This time I'll decide, the way to live my life. Near or far
away, just know that I miss you.
In time and time again...
Impatience is a killer, when you're waiting for a smile.
