They handed you the crown  
Nothing stolen  
But when you come around  
Eyes wide open

Hey! Wait  
Waiting for the day  
Say when  
You can't trust them

Career has all been made  
Dropping all out  
The teachers have been paid  
Your eyes wide open

Trust what you made and  
You're walking away  
Just wanna lay there with nothing to say  
Catch on when it's gone  
The first to be there late  
Too much to give away

Guessing all the time  
Where do you fit in  
When everything is fun  
You can just buy everything  
Just buy everything

Trust what you made and  
You're walking away  
Just wanna lay there with nothing to say  
Catch on when it's gone  
The first to be there late  
Catch on when it's gone  
Too much to give away

Eyes wide open

Hey! Wait  
Waiting for the day  
Say when

You can't trust them

Eyes wide open
