kahate hain jisko mohabbat woh ho tum
rab ne banaya jise dil se woh ho tum
husn yeh gajab kaa adaye hain katil
jaise kayamat ke lut hee gaya dil
tere nam se hotee hain subahe aawara
tere nam se hotee hain shame aawara
din bhar teraa khyal tere khwab raton me teraa pagalpan hai mujhpar janeman

kahate hain jisko

ham kanto par soyenge teree chahat me
angaro par bhee challenge teree chahat me
tere kadmo ke niche mai apnee hathelae rakh dunga
ik kanta bhee chubhane naa du tujhko,

kahate hain jisko

hamko hai yakin par phir bhee itana hai kahana
kisee aur kee soch bhee dil me naa aane dena
jo milatee nahee hamko tumse aisee mohabbat o hamdam sochenge kyon gairo kee ham bolo,

kahate hain jisko
