THE MAN FROM LARAMIE - 14/10/1955  
4 weeks at #1 - 12 weeks on chart

The man from Laramie  
He was a man with a peaceful turn of mind  
He was kind of sociable and friendly  
Friendly as any man could be  
But you never saw a man out-draw  
The man from Laramie

The man from Laramie  
He was a man with a warm and gentle heart  
But when they'd start the arguing and fightin'  
Frightenin' and lightning fast was he  
There was no coyote who could outshoot  
The man from Laramie

He had a flair for ladies  
The ladies loved his air of mystery

The west will never see  
A man with so many notches on his gun  
Everyone admired the fearless stranger  
Danger was this man's speciality  
So they never bossed or double crossed  
The man from Laramie

He had a flair for ladies  
Now the ladies loved his air of mystery

The west will never see  
A man with so many notches on his gun  
Everyone admired the fearless stranger  
Danger was this man's speciality  
So they never bossed or double crossed  
The man from Laramie
