I don't know why everybodys talkin about me

Is he really gonna be a hot MC
Askin' if my albums gonna flop
Wonderin' if i'm gonna hit billboard top
I don't know why this world got so much hate
If there was that much love
Then it'd be all be great
But there ain't and its makin me strong
If you're real then ya'll gonna be feelin this song
I Don't Know...

Since the last time u saw me on tv blazin MCs
My life turned around, did a hundred eighty degrees
There's a couple key issues that I gotta address
Plus a lotta bullshit to get off my chest
Everybody got opinions that they gotta contest
I listen to most of them and ignore the rest
Some confess that i'm hot, some stress me a lot
Sayin that I don't deserve all the success that I got
Is it me or does it seem like they obsess with my jock
Either that or they just jealous of my props
All it took was hard work plus my obsession with fame
Ask around whos nice, they'll mention my name
Is he the best in the game, the question remains
Will he shit numbers or is he a one hit wonder
Ya'll can't talk about me, you don't know what i went
thru
I just wanted to rap, look what I got myself into

I don't know why everybodys talkin about me
Is he really gonna be a hot MC
Askin' if my albums gonna flop
Wonderin if i'm gonna hit billboard top
I don't know why this world got so much hate
If there was that much love
Then it'd be all be great
But there ain't and its makin me strong
If you're real then ya'll gonna be feelin this song
I Don't Know...

C'mon before I even try any material, I had a lotta critics
What I gotta prove to ya'll that I'm not a gimmick?
Eager to check my numbers when my sales start to cash in
Seems like ya'll want me to fail with a passion
Well my own people hatin', my eyes are deceiving me
Can it be? Some of them don't even believe in me
(Damn)
Of course you mad, there ain't no asian in the main stream
No doubt, now there is one, you say I sold out?
Face it, you know you dont hate the fact that I'm rhymin'
You hate the fact that you not in the position that i'm in
I'm a pioneer, it ain't no mystery, look
I got myself a chapter in the hip hop history book
Oh and by the way, in case you didn't notice (What)
All that hatin' is keepin me focused (Yeah)
Besides, hatin' is bad for your health
At the end of the day i'm still askin myself

I don't know why everybodys talkin about me ('bout Jin)
Is he really gonna be a hot MC
Askin' if my albums gonna flop
Wonderin if i'm gonna hit billboard top
I don't know why this world got so much hate
If there was that much love
Then it'd be all be great
But there ain't and its makin me strong
If you're real then ya'll gonna be feelin this song
I Don't Know...

I can't explain what this game is puttin me through
You wouldn't understand man, put your foot in my shoe
Walk a mile, shit, you couldn't even walk an inch
Same pace, thats all it takes for you to relate
It ain't about right or wrong
Be the same cats that love my freestyles that say I can't write a song
Plus he signed to the R
Don't he run with thugs
What he gonna rap to now, huh, guns and drugs?
Nope, I'm just gonna do me, me
Recap cuz I'm a true MC
I prove to be, give the streets my music
I paid my dues, I got receipts to prove it
You can't refuse it, if its hot, its hot
Actually I'm flattered you say I sound like Marshall Mathers
I'm no Eminem, but i'm not whack either

The only reason you compare me to him is cuz i'm not
black either

I don't know why everybodys talkin about me ('bout Jin)
Is he really gonna be a hot MC (I don't know)
Askin' if my albums gonna flop
Wonderin if i'm gonna hit billboard top
I don't know why this world got so much hate
If there was that much love
Then it'd be all be great
But there ain't and its makin me strong
If you're real then ya'll gonna be feelin this song
I Don't Know...

Yeah
Haters
Ya'll keep me goin', ya'll keep me strong
I need ya'll
I'd like to thank every single person out there that ever
hated on me
I don't know where i'd be without ya'll
Shit, I couldn't have wrote this song if it wasn't for ya'll

I don't know why everybodys talkin about me
Is he really gonna be a hot MC
Askin' if my albums gonna flop
Wonderin if i'm gonna hit billboard top
I don't know why this world got so much hate
If there was that much love
Then it'd be all be great
But there ain't and its makin me strong
If you're real then ya'll gonna be feelin this song
I Don't Know
