We both know this fiasco
Won't be complete without broken bones
Cut the green wire, whole fucking building goes

So cut red same time as me
We've gotta cut on the count of three
Now I don't mean 1 2 3 - go
Too late oh no explode

Catastrophe, catastrophe
Whole world in flames that's all I see
Catastrophe, catastrophe
Calamity, Catastrophe

That's you and me
Dark days indeed

Burning to death inside a submarine
Washing my wounds out with kerosene
Bridge collapse, Fatality

Tragedy
Befell who dwell upon the fault line
Cave in, doom, trapped inside the mine
No sign, No sign surviving
Canines sent out to find them

Catastrophe, catastrophe
Whole world in flames that's all I see
Catastrophe, catastrophe
Calamity, Catastrophe

That's you and me
Dark days indeed

Catastrophe, catastrophe
Whole world in flames that's all I see
Catastrophe, catastrophe
Calamity, Catastrophe

That's you and me
Dark days indeed

That's you and me
