Action, action, Kitty, Kitty
Fast one, fast one
No Tip
Hey
Lesson, lesson
Furry belly
Lecture, Lecture
Get paid

Take it, Take it away from me
Save it, Save it away from me

Gotta, gotta, gotta dumb it down all I know
Gotta, gotta, gotta Oh-oh

No way
Take it
Who wants to know
Got It
Save it
That's all I'm told

Gotta, gotta, gotta get the world to know
Gotta, gotta, gotta
Lay low, lay low

One day, One day your gonna die
X's
X's for your eyes
Gotta, gotta, gotta get money oh
Gotta, gotta, gotta oh-oh

So Lame, So lame you're still alive

Turkey, Turkey you're made of jive

Better, better, better make this fucker count
'Til the dead ones teeth fall out
'Til the goosebumps go away
'Til we save the day

Diss, diss, diss, Telling on me, telling on me

Kiss, kiss, kiss, Kill me mommy, kill me hey
Diss, diss, diss, tell me homie, tell me homie
Kiss, kiss, kiss, blame it on me, blame it on me
