[Verse 1]  
Ayo  
Im'a tell you why I'm angry, haters in the game wanna  
restrain me  
I'm what they artist can't be, chain hang see  
Down to the dick, A clown wanna flip  
Keep a pound on the hip, lay him down with a clip  
Yall niggaz aint ready for Juvy, and aint a nigga betta  
then Juvy  
I'm a veteran excuse me  
I've been flowin awhile, young flashy ass nigga stay  
throwin em down  
Dip's where fitted, too exquisite, enemies lord forgive  
em  
More shells in the clip, the more hit em  
Go in his body blood draw drippin, send him to the  
mortician  
Face it I'm hot, the boy gifted  
Look listen, the game's in a boston crab  
I'm just a bastard who was born to rap  
Hot on the beat slaughter the track  
I'm here to kill a whole industry, I dont get along with  
rap. Niggaz!!

[Chorus - repeat 2X]  
Mufuckas off the hook this year  
You can bet Jinx is gonna cook this here  
Half yall niggaz lookin shook in here, crooks in here  
Tuck in your chain dont get jooks in here

[Verse 2]  
Yeah  
I know the streets been waitin 2003 I'm here to take

over man

This year niggaz cant eat, find a new occupation  
CEO's find another artist stop hatin  
The streets been waitin along time for the kid  
I'm bout to go to trail rappers hopin I do a bid  
Who really want it? Lets go shell for shell  
I'm the best thing to happin to Def Jam since L.L  
Oh well its the truth, The flow leak through  
Imbecile rap, still push coke and Diesel  
I put them birds in you, out of the eagle  
I dont say your name on record, I'll holla when I see you  
See me I'm nice with mines, most the rappers in the  
game
