[Verse 1:]

Baby there is something special I need to talk to you
It isn't just the way you move, it's the things you do
Can I get a little closer, so I can feel that I've chosen
The right girl for me, I really need to tell you that you'r
beautiful
Somewhere up in the sky
Lies a angel with such beauty that never gon die
I wanna tell you that
I can give you everything you want but since we broke
up
I can't help but to leave you alone

[Bridge:]

Together forever again
First my babygirl now only one of my friends
I won't give up before you know the truth
I love you, but that's unforgiven love

[Lead:]

You told me love was something precious
But you changed that and hooked up with another man
Can't you see? I'm in love with you

[Chorus:]

I can't help but fly whenever I'm with you that I can't
deny
But it's your fault, that I can't go on anymore
Unforgiven love

[Verse 3:]

Baby there is something special, I need to walk with
you
Through the park let me spark the way I always do let
you know
I'm lovin it, I can't get above with it cause you were
something special
Oh love...
Somewhere up in the sky
Lies a angel with such beauty that never gon die
I wanna tell you that

I can give you everything you want but since we broke
up
I can't help but to leave you alone

[Bridge:]

Together forever again
First my babygirl now only one of my friends
I won't give up before you know the truth
I love you, but that's unforgiven love

[Hook:]

Can you remember now? This unbelievable love?
Can you remember now? This unforgiven love?
Can you remember now? Can you?
Can you remember me and you

[Chorus:]

I can't help but fly whenever I'm with you that I can't
deny
But it's your fault, that I can't go on anymore
Unforgiven love
