I told you from the beginning babe,
I didn't want it this way,
But you made it this way.
And I told you I was scared of love,
But then you're all up in my ear,
Telling me just how you feel.
And you made it seem so easy.
Like you knew that you could please me.
So, I finally let go
And let my feelings show.
And when the words came out,
I loved the way they sound.
How was I to know that it would turn around?
You was never really down for me,
So I, I'm gon' make it really easy.
Don't even bother to call on me.

Chorus_

Once again I'm a fool.
I'm a fool for you and I'm here to say I'm through.
Once again I gave my heart to,
A fool
And I'm here to say I'm through.

Verse 2

So, explain to me,
Why you would blatantly,
Lie to my face
And take the time to erase
All the fears I had about this love thing?
I aint got no ends,
I'm a single mother strugglin'!
So, Ima try to figure out,
What is this shit all about?
Your motives seemed pure,
I thought that you were sure.
I don't deserve this,
So Ima put it to a rest!

Chorus
