I thought I saw my breath  
As I looked up at the sky  
And I heard the train come by  
I might just catch a ride

I tried to lock myself away  
And pretend it didn't matter  
But every time I pushed it away  
It only came back stronger

*[Chorus]*

Hello, November  
Haven't seen you for awhile  
Hello, November  
Hope I didn't leave you wanting more

Tripped on a memory  
It filled my heart with lead  
Just like my train  
I'll keep movin' on instead

I didn't mean to drag you down  
But I needed you around  
You helped me build this wall  
Now help me burn it down

*[Chorus]*

'Cause I can only give  
What they haven't taken  
But whatever's left you know I'd leave it all to you  
Let's make an escape  
Let's write a new story  
And leave it all behind

*[Chorus]*
