A friend called me up today
I was waiting by the phone
He said, "By the way, there's a show...you should go."

They'll pick me up around 8
Should I wear tight pants like Jimmy Page
I'm starting to think to myself I don't know
Should I go?

But everyone's gonna be there
They say the band's blowin up
And that girl with the Zeppelin t-shirt
She's showin' up
She's showin' up

[Chorus]

I was wonderin'
If I wandered in
And grabbed your hand
Could you be mine?

A friend called me up today
I was waiting by the phone
He said, "Did you know about the show?"
Yeah, I know

But everyone's gonna be there

They say the band's blowin up
And that girl with the Zeppelin t-shirt
She's showin up
She's showin up

[Chorus]

The band's too loud
Can't stand the crowd
My friends took off
Couldn't stick around
I lost my ride
Running short on pride
I was wonderin

If you wouldn't mind

I saw you headed backstage with a guy
With pants like Jimmy Page
My friend said, "That guy's in the band...
He's the man."

But everyone's gonna be there
They say the band's blowin up
And that girl with the Zeppelin t-shirt
She could've been mine
She should've been mine

[Chorus]
