You tell me you don't feel like you remember  
You say you look like May but you feel like December  
Why don't we make plans for August again  
Why do we always change with the weather

*[Chorus]*

Why don't we just stand back and  
Why don't we just let go  
Why don't we just pretend that one day  
We're not that old

Now you can't keep track of all the lessons you've  
learned  
And the thing you miss the most is all the time you've  
burned  
Why don't we make plans for August again

Why do we always change with the weather

*[Chorus]*

You're not too old  
It's not too late  
But you're not getting any younger  
Playing around with fate  
Let's find that time we burned  
Let's forget those lesson's learned  
Everything's gotta change  
But why can't we all change together  
You're not too old  
It's not too late  
But you're not getting any younger  
Playing around with fate

*[Chorus]*
