Verse 1:

You know,
It's hard to be me.
If you go,
I couldn't live
Anymore.
As you could see,
I can't be that perfectly, yeah.

Refrain:

Solve my problems,
Why I can't do?
I'll leave my friends
Just be with you
Have some fun,
I would but, I can't
'Coz I'm not Superman
Even Clark Kent.

Chorus:

So don't leave me alone...
'Coz, It's hard to be me
Yeah, definitely
No, I can't be
Like them, be happy
'Coz you know
It's hard to be me...

So don't leave me alone...
'Coz, It's hard to be me
Yeah, definitely
No, I can't be
Like them, be happy
'Coz you know
It's hard to be me...

Verse 2:

Oh, you know
I love you so.
Please, don't go
Or I'll be emo,

A dark emo,
Dark as a crow.
So baby don't go
Baby, don't let me be alone

(Repeat chorus except the first line)

Bridge;
(Yo!) We often fight
At late night,
But I love you still,
I'll be alright,
So baby don't mind,
'Coz you're one of a kind,
But still,
It's hard to be me...

(Repeat Chorus except the first line)

Outro:
It's hard to be,
It's hard to be,
It's hard to be...
Me...
