Dos Uno Kwatroh

Am I real? Do the words I speak before you make you  
feel,  
that the love I lay for you will see no ending?

Well if you look into my eyes then you should know,  
that there is nothing here to doubt, nothing to fear,  
and you can lay your questions down 'cause if you'll  
hold me  
we can fade into the night and you'll know

The world could die, and everything may lie,  
Still you shant cry  
'Cause time may pass, but longer than it'll last  
I'll be by your side

Take my hand, and gently close your eyes so you could  
understand  
that there's no greater love tonight than what I've for  
you,  
Well, if you feel the same way for me, than let go  
We can journey to a garden no one knows.

Life is short my darling tell me that you love me  
So we could fade into the night and you'll know

The world could die, and everything may lie,  
Still you shant cry  
'Cause time may pass, and everything wont last  
But I'll be by your side,  
Forever by your side,  
So you wont cry
