You don't know what you don't know  
Never reason with the undertow  
Can I splash into your sea?  
Got me wishing  
We are magic in the world  
Secret like the evening wind so  
Silent as the messages we speak  
When you are dancing with me  
Like a refrigerator snow  
Hold me tight until it's time to go  
Playing monopoly with me  
Roll the dice cause  
We are magic in the world  
Secret like the evening wind so  
Silent as the meessages we speak  
When you are dancing with me  
Feed the fire inside with what you want to know  
No more heroes  
We are magic in the world  
Secret like the evening wind so  
Silent as the messages we speak  
When you are dancing with me
