Come and walk with me
Through the world
We love so much
And we'll kill all
The beautiful things
We're not allowed to touch
We could fall in love
Then hate
'Cause love never lasts
And we'll dance on the graves
Of our enemies
Won't that be a blast?

But oh, I'm ending
My life with you
'Cause you're sharp
As a knife
We're lost in the forest
Like Hansel and Gretel
To burn

Come walk with me
Through the world
We love so much
And we'll kill
All the beautiful things
We're not allowed
To touch, yeah
We'll fall in love
Then hate
'Cause love
Stuff never lasts
We could dance on the graves
Of our enemies
Won't that be a blast?

Blast, blast
Boom, baby, kaboom

But oh, I'm ending
My life with you

'Cause you're sharp
As a knife
We're lost in the forest
Like Hansel and Gretel
Don't mind
That sticky stuff
I don't care
What's runnin'
Down your chest

Come walk with me
Through the world
We love so much
And we'll love
The beautiful things
We're now allowed to touch
