We hide in closets
They lock us out
We waltz in the dark
They knock us down

This war beheads us
These walls betray our combat
Did you believe it? Did you believe it?
When did you first hear?

All the boys and all the girls sing, sing!

We wait in silence
They shut us up
We spin in circles
They never stop

This war between us
These walls befriend the wounded
Do you believe it? Do you believe it?
Then speak it loud and clear

All the boys and all the girls sing, sing!

Shout it from the rooftop
Shout it from the underground
Shout it night and day
We won't be quiet
We are here to stay
Hey!

This war becomes us
This sacred sanctuary
Will it unite us? Will it unite us?
In broken harmony

Do you hear them singing?
Do you hear them singing, darling?

All the boys and all the girls sing, sing!

Shout it from the rooftop
Shout it from the underground
Shout it night and day
We won't be quiet
We are here to stay
Hey!
