(Gary Nicholson/Craig Wiseman)

I'm up and out the door before the sun comes up  
Spillin' coffee, banging gears in my pickup truck  
Racing every red light, getting to the jobsite  
Bossman hollerin', boys you're burnin' daylight  
Sweatin' through a hard hat lunch in a brown sack  
Swing a hammer all day tryin' to get the bills paid

Oh Oh, just a working man makin' his way  
Oh Oh, but you'll never hear me complain  
There's a whole lot to it but I gotta get through it  
So I'll do it til i get it done  
Just a day in the life of an 8 to 5, get it right  
Nail drivin' law abidin' hard workin' son of a gun

Yeah when 5 o'clock come I'm burnin' up the road  
Haul it home shower down slick it up gotta go  
There's a roadside dancehall just about nightfall  
That's the place to be y'all women waitin' wall to wall  
Wearin' out the two step maybe learn a new step  
Crawlin' home by daylight get back to the jobsite

Oh Oh, just a working man makin' his way  
Oh Oh, but you'll never hear me complain  
There's a whole lot to it but I gotta get through it  
So I'll do it til i get it done  
Just a day in the life of a dance floor dynamo  
Honky Tonk Romeo, 8 to 5 get it right nail drivin'  
Law abidin' good timin' hard workin'  
Easy lovin' son of a gun

Oh Oh, just a working man makin' his way  
Oh Oh, but you'll never hear me complain  
I know I'm burnin' both ends again and again  
But a man's gotta have his fun  
Another day in the life of a dance floor dynamo  
Honky Tonk Romeo, 8 to 5 get it right nail drivin'  
Law abidin' good timin' hard workin'  
Easy lovin' son of a gun

Another day in the life of a dance floor dynamo

Honky Tonk Romeo, 8 to 5 get it right nail drivin'  
Law abidin' good timin' hard workin'  
Easy lovin' son of a gun
