(Byron Hill/Bud Cason)

I've always been the kind of man  
Who admits when he is wrong  
And I'll do anything  
To make it right  
Even if it takes forever  
To put it back together

I broke it, I'll fix it  
Your heart is worth the world to me  
I'll show you, I'll prove it  
If it's the last thing on this earth I ever do  
For you  
I broke it, I'll fix it  
Like new

Heaven knows how i've been blessed  
To know your sweet forgiving ways  
To get the second chance  
I don't deserve  
Tonight this promise that I make  
Is one I swear I'll never break  
I broke it, I'll fix it  
Your heart is worth the world to me  
I'll show you, I'll prove it  
If it's the last thing on this earth I ever do  
For you  
I broke it, I'll fix it  
Like new

Love's the reason I'm still here  
So put away your doubts and fears  
And with my love, I'm gonna right the wrongs

I broke it, I'll fix it  
Your heart is worth the world to me  
I'll show you, I'll prove it  
If it's the last thing on this earth I ever do  
For you  
I broke it, I'll fix it
