If he don't dream 'bout you night after night

If you don't think that he's treatin' you right

If he don't worship the ground that you walk on

It's easy to see somethin's wrong

I can't stand to see you cry

Over love that just ain't real

If he don't love you

Baby I will

If he don't whisper sweet words in your ear

Things a good woman loves to hear

Why can't you see what he's puttin' you through

How long can your heart beat feelin' so blue

I can't stand to see you cry

Over love that just ain't real

If he don't love you

Baby I will

Baby I will

I can't stand to see you cry

Over love that just ain't real

If he don't love you

Baby I will

Baby I will

Baby I will
