I'm gonna change my ways of 'doin things around here

I'm turning over a new leaf ,gonna get my self in gear

'Cause I've got a women whos better then most,

and I've made a mess of her plains

Starting today ,all I'm gonna be is her man

'Cause I've been a wild catter, and a go-go getter

Been an S.O.B. right down to the letter

I've had misadventures, I've even got pictures

I'm even more than I can stand

But startin' today, all I'm gonna be is her man

I'm gonna give it all back, cause all I've done is take

Well I've put her on the back burner while I was out on
the make

But I've got a woman who's good enough to give me

A second chance again

And startin' today, all I'm gonna be is her man

'Cause I've been a wild catter, and a go-go getter

Been an S.O.B. right down to the letter

I've had misadventures, I've even got pictures

I'm even more than I can stand

But startin' today, all I'm gonna be is her man

I'm a little bit late but I'm wisin' up

Now I'm takin' her by the hand

And startin' today, all I'm gonna be is her man
