Chorus:

Now love is pouring through the windows

Comin' through the door

I can feel it creepin' through the cracks in the floor

Bouncin' off the walls and the ceilin' up above

Since I found you I'm livin' in a house of love

All my life my hear's been walked on

Women said they loved me my how they talked tellin'  
me lies

And fillin' my eyes with tears that I couldn't control

I couldn't get a hold of myself long enough to realize

They were only tryin' to pull the wool over my eyes

I found you then the skies turned blue

I'm livin' in a house of love

Once I lived in a hole like a rabbit

I couldn't find love the blues were a habit

A lonely man and I couldn't understand

Why everything I tried went wrong

'Til you came alone bless your heart and showed me  
the right way

You dried my eyes and truned my night to day

And I'm so proud I wanna holler our loud

Tell the world about my house of love
