Well high school got me educated  
Still barely graduated  
I didn't have a clue  
Dearest man in the navy  
They did their best to break me  
Somehow I made it through  
I've had some hard knocks  
I've been around the block  
But baby I believe  
That lovin' you made a man of me  
Raising hell, racing cars  
Closing down the local bars  
That's what I used to do  
Family told me settle down  
Find yourself some solid ground  
Where you can put down some roots  
Back then I thought love was only sissy stuff  
But now I see  
That lovin' you made a man of me  
Lovin' you made a man of me  
I don't know what it is you do

But every time I'm holding you  
I know what my heart is for  
I'm the one you lean on  
Got to be strong  
It ain't just about me anymore  
Well goodbye to my flyin' immaturity  
Lovin' you made a man of me  
I should be only lost and lonely  
As a boy can be , can't you see  
That lovin' you made a man of me  
Lovin' you made a man of me  
It made a man of me  
It made a man of me, yeah
