Red lips, blue eyes and little white lies

Oh darlin' I'm a fool for you

Hey darlin' why can't you can be true

Red lips, blue eyes and sweet disguise

Oh darlin' the things you put me through

Your little white lies are breaking my heart in two

You come around and tell me that you love me so

You take a little loving then you say you gotta go

I know he's waiting for you on the other side of town

Well I'm a fool to love you baby 'cause I know you're  
messaging around

Red lips, blue eyes and little white lies

Oh darlin' why can't you be true

I'm crazy to love you baby you know I do, yeah

Sooner or later you'll have to face the truth

Little white lies will catch up with you

With nowhere to run and no where to hide

And no one to love you there by your side

Red lips, blue eyes and little white lies

Oh darlin' the things you put me through

But your little white lies are gonna catch up with you

Oh your little white lies are gonna catch up with you

Baby your little white lies are gonna catch up with you
