He likes to set up colored people.

He likes to frame the colored people.

Officer Fuhrman driving through Brentwood

At night with a glove in his bag, his evidence bag.

Waits at the Bronco; opens the window

To leave a few drops on the floor, a smudge on the door.

Officer Mark Fuhrman,

Where did that blood come from?

Officer Mark Fuhrman,

He dropped the bloody glove.

Simpson and Kato back from a burger and fries

at a restaurant near. A note's in the rear.

O.J. is napping, dropping his socks near the bag

But there's somebody there, planting some hair.

Officer Mark Fuhrman,

(He likes to set up colored people)

Where did that blood come from?

Officer Mark Fuhrman,

(He likes to set up colored people)

He dropped the bloody glove
