Chithhi na koyi sandesh,
Ho, chithhi na koi sandesh
Jaane woh kaun sa desh jaha tum chale gaye
Chithhi na koyi sandesh
Jaane woh kaun sa desh jaha tum chale gaye
Chithhi na koyi sandesh
Jaane woh kaun sa desh jaha tum chale gaye
Jaha tum chale gaye
Is dil pe laga ke thhes jaane woh kaun sa desh
Jaha tum chale gaye...

Ek aah bhari hogi hamne na suni hogi
Jaate jaate tumne awaaz to di hogi
Har waqt yehi hai gham, us waqt kaha the hum
Kaha tum chale gaye
Chithhi na koi sandesh jaane woh kaun sa desh
Jaha tum chale gaye jaha tum chale gaye
Is dil pe laga ke thhes jaane woh kaun sa desh
Jaha tum chale gaye...

Har cheez pe ashkon se likha hai tumhaara naam
Ye raste ghar galiyaan tumhe kar na sake salaam
Hai dil mein reh gayi baat, jaldi se chhuda kar haath
Kaha tum chale gaye
Chithhi na koi sandesh jaane woh kaun sa desh
Jaha tum chale gaye jaha tum chale gaye
Is dil pe laga ke thhes jaane woh kaun sa desh
Jahan tum chale gaye...

Ab yaadon ke kaante is dil mein chubhte hain
Na dard thhaherta hai na aanson rukte hain
Tumhe dhhundhh raha hai pyaar, hum kaise karein
iqraar
Kaha tum chale gaye
Chithhi na koi sandesh jaane woh kaun sa desh
Jaha tum chale gaye jaha tum chale gaye
Is dil pe laga ke thhes jaane woh kaun sa desh
Jahan tum chale gaye...
Ho kahan tum chale gaye -3
