dard ke phool bhi khilte hain bikhar jaate hain -2  
zaKhM kaise bhi hoN kuchh roz mein bhar jaate hain  
dard ke phool bhi khilte hain bikhar jaate hain

us dariche mein bhi ab koi nahin aur ham bhi -2  
sar jhukaaye huey chupchaap guzar jaate hain

raastaa roke khaDi hai yahi uljhan kabse -2  
koi poochhe to kahen kyaa ki kidhar jaate hain  
zaKhM kaise bhi hoN kuchh roz mein bhar jaate hain  
dard ke phool bhi khilte hain bikhar jaate hain

naram aavaaz, bhali baaten muhazzab lahje -2  
pahli baarish mein hi ye rang utar jaate hain -2  
dard ke phool bhi khilte hain bikhar jaate hain  
zaKhM kaise bhi hoN kuchh roz mein bhar jaate hain  
dard ke phool bhi khilte hain bikhar jaate hain
