Dhuaan uthha hai kahin aag jal rahi hogi -2  
Aseer roshni baahar nikal rahi hogi  
Dhuaan uthha hai kahin aag jal rahi hogi

Ye chaaro aur se aate huwe kayin basti  
Jab ek doosre ke jism aake chhute hain  
Koyi toh haath mila kar nikal hoga  
Kisi ke mod pe manzil badal gayi hogi  
Dhuaan uthha hai kahin aag jal rahi hogi  
Aseer roshni baahar nikal rahi hogi

Harek roz naya aasmaan khulta hai  
Khabar nahin hai ke kal din ka rang kya hoga  
Palak se paani gira hai toh usko girne do  
Koyi puraani tamanna pighal rahi hogi  
Dhuaan uthha hai kahin aag jal rahi hogi  
Aseer roshni baahar nikal rahi hogi
